

"I trust my hearing, my career and often my life to Walker's Game Ear. It will make your hunt better...and you a better hunter."

– Jim Shockey, Big Game Outfitter and Hunter

JIM SHOCKEY'S
Hunting Adventures
JIM SHOCKEY
SIGNATURE GAME EAR

The new Jim Shockey Signature Custom Game Ears deliver top of the line hearing enhancement/hearing protection while precisely made to fit the contours of your ear. They utilize leading edge 6-Channel Digital Signal Processing, Sound Activated Compression and four distinct listening modes; General, Turkey, Bear and Nature. The Jim Shockey Signature Custom Game Ears will both protect your hearing and help you hear like you've never heard before.
